Payroll Software for Accountants: EzPaycheck Updated to Speeds Up Tax Form Filing

1888 PressRelease - ezPaycheck payroll software now offers 940 and 941 forms a tax preparer area for simplified filing. Test drive it at no risk or obligation at www.halfpricesoft.com.

Houston, TX - Many CPAs and tax professionals also like ezPaycheck payroll software for small business because it is very easy to use and flexible. In response to customers' requests, Halfpricesoft.com developer's have just released an updated version of ezPaycheck 2015 to allow tax preparers set up the paid preparer information easily. So accountants do not need to enter this information repeatedly when filing tax forms.

"ezPaycheck software developer's have listened to accountant and tax preparer suggestions and added a new paid preparer business information setup screen to forms 940 and 941." said Dr. Ge, the founder of halfpricesoft.com.

Priced at $89 per calendar year, ezPaycheck payroll software is affordable for any size business owner. Customers can download and run this software on Windows 10, 8.1, 8, 7, Vista, XP and other Windows system.

EzPaycheck software was designed to automate paycheck processing to save time for small to mid size business owners. The software allows for simple setup of employee information, importing data, calculating payroll - including calculation of federal, state and local taxes; deductions for Medicare, insurance and 401(k) plans; and printing paychecks. Potential customers can download and try this software at no cost or obligation at http://www.halfpricesoft.com/payroll_software_download.asp

Customers will appreciate all these features in the latest release of ezPaycheck payroll software:

· Multiple accounts under one business name without additional charges
. Allows tax professionals and accountants to add their information once and use repeatedly
· Assign multiple shift rates to each employee - great for employees who work different shifts or different jobs within the business
· Unlimited employee capacity - no need to upgrade or purchase more capacity when more employees are added
· Easily apply and track commissions on sales
· Track tips and cash collected and include on paychecks
· Easy-to-use graphical interface is user friendly and ideal for businesses without a dedicated IT administrator or accountant on staff
